

Meet Our Team

Christopher J. Jenkins, PhD. is Teacher/Coordinator of Inclusion Outreach. Chris graduated from the University of Oregon with a PhD in Special Education and Rehabilitation and was the Associate Director of the Neuromuscular Education and Research Center at the U of O and worked on a number of model demonstration projects through Oregon Research Institute. Chris has had a long and varied career as a teacher, provincial consultant for the Ministry of Health and faculty member at Douglas College, UBC, Camosun College and UVic. Current interests include using technology and teleconferencing to provide e-mentoring support to students and their teams throughout the province.

District Case Manager for the following BC School Districts:

23 Central Okanagan (Kelowna)	57 Prince George
43 Coquitlam	73 Kamloops
52 Prince Rupert	83 North Okanagan/Shuswap

Taryn Silver, BScPT

Taryn received her Physiotherapy degree from the University of British Columbia in 1999. Since that time, she has worked in community pediatrics seeing children from birth to age 19 in their homes, childcare centres, and schools on both Vancouver Island and the South Island of New Zealand. Taryn was involved in the development of the BC Hip Surveillance Program for children who have cerebral palsy. She joined the Inclusion Outreach team in 2017. Her areas of interest include nature based learning, and physical literacy.
