

Skills to Practice In The Accessible Book Activity

Communication

- make choices between different stories (using either picture or object choices)
- make choices between buddies to take turns in this activity
- use the voice output device (e.g. Step-by-Step Communicator) to provide comments and questions, while using the Accessible Book
- turn taking when working with a friend
- cause and effect with turning the pages
- use a picture board, or point to pictures in a book, to comment, ask or answer questions

Fine Motor & Participation

- use a switch/iPad to use the Accessible Book
- where possible, reach or point for the choice of activity using objects or pictures
- assist with set up and putting away the materials to practice functional hand skills

Gross Motor Participation

- engage in the activity while sitting in optimal seating position as indicated by your physiotherapist
- where possible, move to pick up materials needed and bring to a table (mobility in wheelchair)

Vision

- where appropriate, work on vision skills as outlined by your vision teacher (eye contact, tracking, etc.)

Note: ensure that pictures are meaningful to your student
