- To start, we all need to wash our hands
- Someone needs to preheat the oven to 375 degrees
- Someone needs to grease the cookie sheets and we need to get the dog bone shaped cookie cutters
- First, measure 2 cups of whole wheat flour into a large bowl
- In a smaller bowl, measure ¼ cup of barbeque sauce and ½ cup of water
- Add wet ingredients to dry ingredients
- Now we need to use the switch to run the mixer, to stir the ingredients
- Roll out the dough to ½ inch thickness
- Cut out with a dog bone shaped cookie cutter
- Set the timer for 30 minutes to bake
- This recipe makes 2 dozen dog biscuits
- Now we need to clean up
- Who wants to wash the dishes?
- Who wants to dry the dishes?
