

# Gym Equipment & Materials

## Equipment and materials, which can be included in this kit:

- Loud buzzer for starting or stopping games
- iPod and Hook (switch adapted music player) to play music during warm up activities
- AbleNet Powerlink
- Step-by-Step Communicator
- Switch (e.g., spec switch, jelly bean switch, lever switch, etc. to run the “spinner”) to run buzzer and music
- Oversized balls and equipment (e.g., gigantic soccer ball, balloon instead of a birdie for badminton )
- Light-weight adapted equipment (e.g., balloons instead of balls)
- Equipment that moves slower (e.g., balloons, etc.)

\*Refer to the following in this section for ideas:

- Levels of Participation
- Adaptations Primary
- Adaptations Intermediate and Secondary
