

**Comments & Questions for Step-by-Step Communicator
(or other Voice Output Device)
for
Math**

- Pose a question to the class given by the teacher
- Have the answer to a brainteaser on the Voice Output Device, and classmates have to seek the student out during recess or lunch to see if their answer matches the student's answer
- Give answers to classmates when correcting each others' work
- Reminder about math homework
- Start off ("ready, get set, go!") and end ("stop! Pencils down") a timed math drill
- Greeting to teacher in class or peers in small group activity
- Possible comments to program during a math game using the All-Turn-It Spinner
 - I wonder who is going to win?
 - Next question
 - Let's do another spin!
- Possible comments to program while practicing math facts with a peer or two in a small group, while using the All-Turn-It Spinner to select the next number (e.g., practicing times 8 tables)
 - What's the answer?
 - Who's in the lead?
 - Who's turn is it next?
