

**Comments & Questions for Step-by-Step Communicator
(or other voice output device)
for
Spelling**

- Greeting to teacher in class or peers in small group activity
- Pose spelling questions to the class given earlier by the teacher (e.g., definition of the word and classmates guess the word and spell it)
- Have the answer to a spelling brainteaser question on the voice output, and classmates have to seek the student out during recess or lunch to see if their answer matches the student's answer
- Reminder to study for upcoming spelling test at end of week
- Words for a spelling bee are posted on the voice output device
- Possible comments to program during a spelling game using the All-Turn-It Spinner with spelling words arranged on the spinner
 - I wonder who will get the most words right?
 - Oh, Oh – that's a tricky word to spell
 - Let's do another spin!
- Post spelling words and corresponding sentences on the voice output to give the test to the class
- Post spelling words on the voice output to give to a small group of students who require extra practice during the week, as a pre-test
- Post spelling crossword clues to the entire class or a couple of students who either...
 - are gifted in spelling and would enjoy a challenging activity
 - are challenged in spelling and would benefit from extra practice with the spelling words (e.g., #2 down... the word that rhymes with heaven)
